
Title V - Section 1913**Section 1913:**

(a)(1)(C) In the case for a grant for fiscal year 2006, the State will expend for such system [of integrated services described in section 1912(b)(3)] not less than an amount equal to the amount expended by the State for the fiscal year 1994.

[A system of integrated social services, educational services, juvenile services and substance abuse services that, together with health and mental health services will be provided in order for such children to receive care appropriate for their multiple needs (which includes services provided under the Individuals with Disabilities Education Act)].

(b)(1) The State will provide services under the plan only through appropriate, qualified community programs (which may include community mental health centers, child mental-health programs, psychosocial rehabilitation programs, mental health peer-support programs, and mental-health primary consumer-directed programs).

(b)(2) The State agrees that services under the plan will be provided through community mental health centers only if the centers meet the criteria specified in subsection (c).

(C)(1) With respect to mental health services, the centers provide services as follows:

- (A) Services principally to individuals residing in a defined geographic area (referred to as a "service area")
- (B) Outpatient services, including specialized outpatient services for children, the elderly, individuals with a serious mental illness, and residents of the service areas of the centers who have been discharged from inpatient treatment at a mental health facility.
- (C) 24-hour-a-day emergency care services.
- (D) Day treatment or other partial hospitalization services, or psychosocial rehabilitation services.
- (E) Screening for patients being considered for admissions to State mental health facilities to determine the appropriateness of such admission.

(2) The mental health services of the centers are provided, within the limits of the capacities of the centers, to any individual residing or employed in the service area of the center regardless of ability to pay for such services.

(3) The mental health services of the centers are available and accessible promptly, as appropriate and in a manner, which preserves human dignity and assures continuity and high-quality care.
