

CAPACITY MANAGEMENT

Capacity Management means a continually updated system to identify capacity as well as matching the Pregnant and Postpartum Women and Women with Dependent Children (PPW), and Individuals Using Intravenous Drugs (IUID) with an available treatment program.

The Contractor must submit the DBHR Capacity Management Form quarterly to the North Sound BHO Contact listed on this document. The Contractor must help manage a system to ensure Individuals have access to services in a timely manner through a quarterly report.

Contractor Contact:	Submission Date/Quarter:	
BHO Contact Person: Sharon Toquinto	Phone Number 360.416.7013	Email: Sharon_toquinto@northsoundbho.org

Individuals Using Intravenous Drugs (IUID)				
Unique Client Identifier	Date of first contact	# of days on waitlist	Service Type Individual is waiting for	When/what Interim Services Began
Individuals:				Total Number of
Number of Individuals removed from waitlist and why				
Document weekly contact (why and how individuals are removed from waiting list for any purpose other than admission to treatment)				

PPW				
Unique Client Identifier	Date of first contact	# of days on waitlist	Service Type Individual is waiting for	When/what Interim Services Began
				Total Number of
	Individuals:			

Additional Questions
What are some of the barriers you encountered when trying to help an individual into services?
How can we help to address some of the barriers to increase access to services?
Mechanism for matching and facilitating admission to treatment programs with sufficient capacity for PPW and Individuals Using Drugs Intravenously
Capacity percentage for each county
