- NSRSN response to proposed WAC revisions
- NSRSN response to proposed contract revisions
- Preparation for MHD re-visit 3/19 through 3/23. The exit interview will take place at the NSRSN at 9:00 a.m. on March 23, 2001.
- Two RFQs, RFQ-01 for a Childrens Crisis Center, and RFQ-02 for an Adolescent/Youth with Co-Occurring Disorders Residential Recovery Program . RFQ-02 has been pulled due to a technical error, but will be re-let as soon as possible. The

selection committee for RFQ-01 met on March 8, 2001 and will meet again on March 15th to hear presentations and make a decision.

- CHAP Program recommendations with regard to utilization and contractual compliance. Although nothing is final yet, there is hope that a recommendation will come out of the QMOC meeting scheduled for March 21, 2001.
- Formulation of a NSRSN Childrens Policy Executive Committee made up of a diverse group of stakeholders region-wide looking at children's issues. Advisory Board member Betsy Rogers is on this committee.

3. Children's Committee – Janet Lutz-Smith

Ms. Lutz-Smith reported that the CHAP contract will be reviewed at the next QMOC meeting. Ms. Lutz-Smith expressed concern over the fact that the RFQ-02 had been pulled. She was assured by Mr. Benjamin it was of great importance and it would be re-let as soon as technical details were worked out. Ms. Lutz-Smith further reported that JLARC is looking at National Best Practice Standards. A Children's Committee work group will follow the agenda set by the Strategic Plan to follow progress.

4. Inservice Committee – Lorelei Coy – No report
5. Citizens Concerns – Dave Ashton – No report
6. Ethnic Minorities – John Patchmatla

Mr. Patchmatla distributed a questionnaire to all board members. The purpose of the questionnaire is to solicit information from region-wide ethnic minorities regarding mental health care. He invited all members to submit feedback and changes to Melinda Bouldin. Discussion from several people present suggested region-wide broad based distribution of the questionnaire through use of schools, community organizations, grocery stores, thrift shops, churches, shelters, etc.

Over 200 patients were displaced to other wards which are now overcrowded. WSH has closed admissions. Every effort is being made to keep our people in our region. Mr. Long further stated that he would be attending a meeting in the coming week with the goal of putting together a plan for full E&Ts and hospitals.

Mr. Long further reported on MHD's proposal to the Governor and Legislature regarding loss of 450 beds

Mr. Long explained that money from unused hospital beds would be used for community-based services for the people being discharged. Chris Walsh cautioned that approval of licensure and reimbursement procedures would be a long time coming. It is estimated the process will take two years.

Copies of the Functional Independence Policy were again given to the Advisory Board for review. Chair Bilson encouraged Advisory Board members to direct any and all questions about the policy to Chuck Benjamin. Mr. Benjamin reminded the group that after items are introduced, it is the intent that the month between an item's introduction and when it is voted on is to be used for reading the document and asking any questions that may arise.

They will also be asked to inform the Advisory Board of voting privileges for Alternates in the event of the absence of the regular member.
