POLICY #4012.00

SUBJECT: WIRELESS NETWORK COMMUNICATION

POLICY

This policy prohibits access to North Sound Behavioral Health Organization (North Sound BHO) networks via unsecured wireless communications. Additionally, this policy prohibits wireless network communications of North Sound BHO workstations inside the North Sound BHO office and of laptops while physically connected to the internal North Sound BHO network.

Only wireless network communications configurations established by the Information System/Information Technology (IS/IT) Department may be utilized by North Sound BHO staff with North Sound BHO owned equipment.

Any access to North Sound BHO networks via wireless network communications shall follow the North Sound BHO Remote Access Policy 4010.00.

By default, any North Sound BHO owned equipment shall have any wireless network communication disabled, unless otherwise required for its use.

Enforcement

All managers are responsible for enforcing this procedure. Employees who violate this procedure are subject to discipline up to and including termination from employment in accordance with North Sound BHO's Employee Conduct and Discipline Policy 3502.00.
